JULY 2021

A 5-acre field on Route 57 in Sandisfield Center will house two dozen sculptures this summer in a show that runs weekends in July with an opening event on July 3, from 4pm-6pm. Artists from Sandisfield and beyond are invited to apply. If chosen, artists are responsible for identifying their desired space in the field, installation and removal, and attending the opening if possible. Pieces can be sold, with donations made to the Sandisfield Arts Center in lieu of commission.
